

## **A very rewarding challenge**

### **Director of Services, The Garwood Foundation, South Croydon**

For over 60 years the Garwood Foundation has supported people with disabilities in the Croydon area running a Day Centre and a Care Home for adults, a highly specialised school for pupils with profound and multiple learning disabilities, and 3 charity shops. The charity provides activities and educational opportunities for children and adults with a wide range of abilities and medical conditions as well as support for their families and carers. Despite the issues arising from austerity in the care sector we are embarking upon an ambitious capital project introducing a vital new service for profoundly disabled young adults.

Our present Director of Services is retiring later in the year after 8 years in the role and we are looking to recruit a replacement for this challenging role. Full details of the services provided by the Foundation together with the Job Description and the likely attributes of the successful candidate can be found on our website: [www.garwoodfoundation.org.uk](http://www.garwoodfoundation.org.uk).

The Trustees will be pleased to agree a competitive salary for the charity sector and other personal terms to secure the best appointment.

If you believe that you have what it takes to lead the Garwood Foundation, please send a CV to [clerk@garwoodfoundation.org.uk](mailto:clerk@garwoodfoundation.org.uk) together with a short note, of no more than 2 pages, setting out why you consider yourself suitable for the role by the deadline 8<sup>th</sup> June 2018.

The Garwood Foundation is equal opportunities employer committed to equality of opportunity for all.
