

January 2014

We are local charity based in Croydon and celebrated our diamond jubilee in 2012. We offer a range of services to children, young people, and adults with disabilities and their families. These include a residential home, adult day Centre and a school for children aged 2-19 with profound and multiple learning difficulties with complex medical needs.

We also offer a fully adapted holiday caravan for hire, which is located at Church Farm Holiday Park in Pagham, West Sussex. www.haven.com/parks/sussex/church-farm

This is available to hire by any persons with a disability, with their family, friends, partner or carer. We are also able to work with schools, homes, charities and local authorities to offer this facility when arranging or funding short breaks for their clients and families.

Our aim is to take the worry out of arranging a suitable holiday and reassurance of expectations by offering a well equipped, well located and fully adapted holiday home at a greatly reduced price than booking a stay direct. It is suitable for all ages with any nature of disability and offers a break to suit everyone from relaxing to action packed!

Located on a newly refurbished 5-star Park with excellent range of facilities, it is situated near to the main complex and offers a high standard of accommodation. Our caravan is in excellent condition and a superior model which includes a hoist, wet room with aids, large bedroom, and central heating and is extra wide to provide maximum space and comfort. It also has a ramp access with a raised patio area and parking to the side.

We are able to take bookings from 1st March to 30th October but recommend you book early to avoid disappointment. Our 7 night stays range from £150 to £700 depending on season time. We have more detailed information about our service on our website or for a quote please call Rosemary Odling on 020 8686 9866 or via email holidayhome@garwoodfoundation.org.uk. We will be pleased to discuss any individual or particular needs people may have.

We have enclosed a brief flyer; if you are able, please distribute this to any friends, clients, parents, contacts or organisations who you feel may benefit from this facility. If you require an electronic version for emailing or require copies please let us know.

Our aim is to offer this widely to support as many people and families with disabilities as possible, enabling them to enjoy short breaks which meet their individual needs.
