train others including staff and parents at a local level.

- To participate in Personal Development Planning in conjunction with line-manager. To identify professional development evidenced by the PDP within an annual appraisal with line management.
- To attend Speech and Language Therapy Department meetings for departmental planning, joint caseload management and organisational duties.
- To provide Peer support with fellow Speech and Language Therapist. This may include regular peer supervisions, joint planning and therapy sessions.
- To manage the emotional consequences of working with children with complex needs and be aware of the needs, demands and pressures on their families.
- To implement behaviour management strategies for challenging behaviour set by the Clinical Psychology staff, including specific Team Teach practices.
- To have knowledge of and work within the framework of relevant procedures including Safe guarding etc.
- To demonstrate knowledge of and adhere to RCSLT professional and clinical guidelines.
- To maintain registration with the Health Care Professions Council as a practicing Speech and Language Therapist.
- To represent SLT at multi agency meetings where appropriate.

INTERPERSONAL AND COMMUNICATION DUTIES

- To communicate in a clear, concise and culturally appropriate manner to students, staff and family members.
- To be effective in seeking relevant information from other professionals and staff in order to make differential diagnosis and to plan to meet the student's needs.
- To explain the role of SLT to visitors, parents, student and volunteers as required.
- To effectively motivate students and staff to engage in the therapy by utilising a range of activities, strategies and techniques.
- To attend and participate in relevant clinical, care and organisational meetings as required.
- To effectively contribute to the SLT clinical team and multidisciplinary team by discussing their own and other input around students' needs ensuring a well-coordinated service.
- To negotiate across a range of issues, with others, around case management of complex cases where conflicting approaches, perspectives and priorities may occur.
- To promote positive relationships with students, families and staff.
- To effectively use IT including Microsoft Word, email, internet and PowerPoint to write reports and to create presentations and training materials.
- To confidently use appropriate strategies to manage challenging, aggressive and/or confrontational behaviour in the workplace in line with policies and guidelines.
- To ensure that parents/key workers/staff are involved in the planning and prioritisation of their care plans wherever possible.

EDUCATIONAL DUTIES

- To plan and deliver training (both formal and informal) to parents, teachers and other school staff in speech, language and communication disorders related to children with autism spectrum disorders/PMLD
- To target training and education to the needs of the participants, evaluating and revising training packages accordingly.
- To participate in the induction of new staff members to Rutherford School.
- To take a lead role in ensuring the consistency of Alternative and augmentative communication strategies used throughout the school and to advise staff on symbols and resources.

RESEARCH DUTIES

- To maintain an up to date knowledge of new techniques and development within the field of PMLD/autism disorder and speech and language development and appraise and implement new interventions as appropriate.
- To engage in reporting on clinical practice, evidence based practice and research in order to improve services to students.
- To participate in research projects and to collect and provide research data including quality measures and procedures in line with minimum standards of care as required by the school.

ORGANISATIONAL DUTIES

- To organise own caseload balancing case management, team responsibilities and time allocation towards school, professional and personal objectives.
- To be flexible to the demands of the environment including unpredictable work patterns, deadlines and frequent interruptions.
- To monitor own resource levels and requirements in own areas and source and request new equipment and resources as appropriate.
- To attend and participate in departmental meetings including school, multidisciplinary staff and SLT.
- To attend any mandatory training and induction courses as requested by line management.
- To contribute to developing new policies for the school as appropriate.
- To be responsible for the security, care and maintenance of SLT equipment including toys, IT and communication aids.

OTHER DUTIES

- Any other duties as may be reasonably required.

The above job description is designed to give an overview of the tasks and responsibilities for this position it is not intended to be exhaustive. The Head Teacher or designated Line Manager will meet annually with the post holder to review and ensure that this position remains relevant and in accordance

with the evolving needs of the School. The selected individual will be expected to embrace such changes and rise to the challenge of developing their skills over time.
